

Local Content Business Seminar

March 2026

Presentation prepared within the scope of the Local Content Business Seminar, organized by the Mozambique LNG Project in collaboration with its main contractors and subcontractors, held in Pemba and Maputo in March 2026.

This presentation is for informational purposes only and does not constitute an offer, a promise of contracting, or a binding commitment by the Mozambique LNG Project or TEPMA1. The information related to Procurement, including demand forecasts (procurement plans) and indicative schedules, is subject to change without prior notice, depending on applicable approval cycles and market conditions. Access to these materials does not grant any right to pre-qualification, invitation, or selection in bidding processes.

Any costs incurred by suppliers in preparing proposals or responding to this information are the sole responsibility of the supplier.

Contracting decisions remain subject to the official procurement processes of each contracting entity, in accordance with their internal procedures. The shared contacts are intended exclusively for formal professional communications related to supplier registration and compliance, and their use for any other purpose is strictly prohibited.

Mozambique LNG Project Operator

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Medical Services	Integrated Medical Services	Q1	HSE management system
Engineering & Construction	Security Camp Construction	Q2	HSE management system
Maritime & Offshore Operations	MPSV (Multipurpose Support Vessels) & PSVs (Platform Supply Vessels)	Q2	HSE management system
Office, ICT & General Supplies	Event planning & Management services	Q2	HSE management system
Medical Services	Medical aid services	Q2	HSE management system
Office, ICT & General Supplies	Photography and Audio Visual Services	Q2	HSE management system
HSE	HSE Training	Q2	HSE management system
Maritime & Offshore Operations	ROV	Q3	HSE management system
Logistics & Transport	Travel Agencies	Q3	HSE management system

CCS JV is the consortium contracted by Total E&P Mozambique Area 1 (TEPMA1) for Engineering, Procurement and Construction of Mozambique LNG project, a natural gas liquefaction facility on the Afungi peninsula in Cabo Delgado province, bound to become a leader in the global LNG industry. CCS JV is responsible for the development of all onshore components of the 2-Train LNG Processing Facility, temporary facilities and marine offloading facilities

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
40-Foot Container (Medical-Grade, Configured as an X-Ray Room)	Supply	Q2	CE Conformity, Radiation Shielding Certificate, Ventilation, Medical-Equipment Compliance.
Accessories for Wheel Loader JCB	Supply	Q2	CE Marking, Load Chart, Guarding, Operator Manual.
Air-Conditioning Maintenance Tools and Equipment	Supply	Q2	Electrical Safety, Calibration Certificates, Refrigerant Handling MSDS.
Batteries	Supply	Q2	MSDS, Spill Containment, Transport Compliance.
Boom Truck 10 ton - Telscopic Crane 5 to 10 ton	Supply	Q2	Load Test Certificates, Operator PPE, Lifting Plan.
Calibration Services for Tools	Service	All along the Project	Certification Traceability, Safe Handling Procedures.
CCS JV Stickers for Equipment	Supply	All along the Project	Non-Hazardous Materials, Proper Identification/Visibility.
Chin Straps	Supply	Q2	PPE Certification, Conformity Marking.
Concrete Mixer 9 m³	Supply	Q2	CE Marking, Guarding, Emergency Stops.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Concrete Pump Trucks - 42 m & 63 m Boom	Supply	Q2	Pressure Test Certification, Hose Whip Protection, Operator Training.
Construction Tools for CBI	Supply	Q2	Guarding, CE Compliance, Tool Inspection
Consumables for Cleaning Service	Supply	All along the Project	MSDS, Chemical Handling Procedures.
Consumables for Warehouse	Supply	All along the Project	MSDS (If Chemical), Proper Storage
Container Lifting Lugs	Supply	Q2	Load Certification, DNV 2.7-1 Compliance.
Defensive Driving Course	Service	All along the Project	Certified Instructors, Approved Curriculum.
Design and Printing Services	Service	All along the Project	Low-Risk; Basic PPE and Office Safety.
Diagnostics Software and System for Equipment & Vehicles	Supply	Q2	Safe Installation, Electrical Compliance, User Safety Instructions, OEM Instructions.
Diving Services for SWRO	Service	All along the Project	Diving Certification, Emergency Plan, Medical Fitness.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Electronic MSDS (Material Safety Datasheet) Software	Supply	Q2	Safe Installation, Electrical Compliance, User Safety Instruction, SDS Accuracy and Compliance.
Emergency Rescue Boat	Supply	Q3	SOLAS Compliance, Flotation Certificates, PPE Onboard.
Environmental Training Simulator	supply	Q2	Safe Installation, Electrical Compliance, User Safety Instructions.
Fire Extinguisher Stands	Supply	All along the Project	Stability, Fire-Rated Material.
Fire Extinguishers	Supply	All along the Project	Certification, Inspection Tag, MSDS for Agents.
Fire Truck Rosenbauer	Supply	Q3	Operational Readiness, CE/ISO, Foam MSDS
Gas Cylinders	Supply	Q2	EN1089-3 Color Code, Valve Test, Storage Compliance.
Gas Detector	Supply	Q2	Calibration Certificate, LEL Sensor Conformity.
Generator 600 kVA	Supply	Q2	CE Marking, Noise/Vibration Assessment, Spill Containment.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Generic Tools & Consumables	Supply	All along the Project	CE Marking, Safe-Use Instructions.
Genset Babcock	Supply	Q3	Safety Devices, Electrical Conformity
Hot Water High Pressure Cleaning	Service	Q2	Pressure Rating Certificates, PPE, Burn Prevention.
HSE Training Simulators	Supply	Q2	Safe Installation, Electrical Compliance, User Safety Instructions.
Hydraulic Cylinder-Piston Repair for Caterpillar Telehandler	Service	Q3	Pressure Test Cert., OEM Parts, Contamination Control
Industrial Battery Charger with Booster	Supply	Q2	Electrical Safety, Overload Protection.
Installation of Toyota Safety Device	Service	Q2	Lock-Out/Tag-Out, Electrical Safety
Integrations for ePTW I-HUGS	Supply	Q2	System Security, Data Integrity.
IT Equipment	Supply	All along the Project	Electrical Conformity, E-Waste Requirements.
Generic Tools & Consumables	Supply	All along the Project	CE Marking, Safe-Use Instructions.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Life Jacket Inspection Service	Service	All along the Project	Certification, Compliance with Flotation Standards.
Light Tower Genie	Supply	All along the Project	Stability Certification, Electrical Compliance.
Lubricants for Warehouse	Supply	All along the Project	MSDS, Spill Kits, Flammability Storage.
Manitou, Ford Transit Bus, Iveco Daily, Genset	Service	All along the Project	Asset, HSE, Security Inspection; IVMS.
Materials for Solar Lighting Systems	Supply	Q2	#N/A
Nitrogen Gas Bank and Preservation Accessories	Supply	Q2	Pressure Certification, MSDS, Venting Protection.
Office Partitions	Supply	Q2	Fire-Rated Materials, Ergonomic Installation.
Office Stationery	Supply	All along the Project	#N/A
Passive Acoustic Monitoring (PAM) Procedure	Service	All along the Project	#N/A
Pick Up Double Cab 4x4 - 2.4 ltr	Supply	All along the Project	Asset, HSE, Security Inspection; IVMS.
Piping Spools Fabrication & Hot Deep Galvanization for Jetty Lines	Service	All along the Project	Chemical MSDS, Fume Extraction.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Pneumatic and Auto-Electrical Tools	Supply	Q2	CE Compliance, Hose Whip Check Cables, Guarding.
Protection Rebar Caps	Supply	All along the Project	Impact-Protection Certification.
PTW Boards and Doc-Box	Supply	All along the Project	Fire-Resistant Material, Visibility.
Reefer Containers, Dry Containers, Carrier Compressors	Supply	Q2	DNV/EN12079, Electrical Safety, Refrigerant MSDS.
Refurbishment Material for General Repair and Finishing Works	Supply	All along the Project	MSDS for Adhesives/Paints; Dust Control.
Rental of Buses at Site	Service	All along the Project	Vehicle Inspection, Driver Competency.
Rental of Generator Sets for Temporary Power	Service	Q2	Spill Control, Noise Management.
Rental of Non-Chemical Portable Toilets	Service	Q2	Hygiene Compliance, Waste Disposal.
ROV (Remotely Operated Vehicle) for HSE	Service	All along the Project	Operator Certification, Electrical Protection.
Safety Equipment for HSE	Supply	All along the Project	Certification, Conformity Marking.
Spare Parts for Atlas Copco	Supply	All along the Project	OEM Certification, Safe Handling.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Spare Parts for Baudouin	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Compressors and Generators	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Ford	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Foton	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Isuzu	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for JCB	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Manitou	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Putzmeister	Supply	All along the Project	OEM Certification, Safe Handling.
Spare Parts for Toyota	Supply	All along the Project	OEM Certification, Safe Handling.
Stamps for QA/QC Dept.	Supply	All along the Project	#N/A
Stevedoring and Lifting Service	Service	All along the Project	Load Certification, Rigging Plan.
Technical Assistance Service	Service	All along the Project	PPE, JSA, Competency.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Technical Assistance Service Liebherr	Service	All along the Project	OEM Procedures, Lifting Safety.
Torque and Other Tools for Workshop	Supply	Q2	Calibration Certificate, Safe Torque Limits.
Traffic Signs for HSE	Supply	All along the Project	Reflective Certification, Correct Installation.
Tyre Repair and Replacement Service	Service	All along the Project	PPE, JSA, Competency.
Tyres for Ambulance	Supply	All along the Project	Load/Pressure Certification, Proper Storage.
Tyres for Equipment	Supply	All along the Project	Load/Pressure Certification, Proper Storage.
Tyres for Reach Stacker	Supply	All along the Project	Load/Pressure Certification, Proper Storage.
Tyres for Toyota Land Cruiser	Supply	All along the Project	Load/Pressure Certification, Proper Storage.
Tyres for Various Equipment	Supply	All along the Project	Load/Pressure Certification, Proper Storage.
Underwater Noise Buoy	Supply	Q2	Marine Equipment Certification, Battery MSDS.
Water Analysis Kit	Supply	Q2	MSDS for Reagents, PPE Use.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Civil Works	Formwork (Plywood, Wood, Fastener, Frame & Scaffolding, etc.)	Q1, Q2, Q3	ISO 45001, ISO 14001, ISO 9001
Civil Works	Polyethylene Sheet	Q1, Q2	ISO 45001, ISO 14001, ISO 9001
Civil Works & MEI Works	Batch Material and Equipment Transportation	Q1, Q2, Q3	ISO 45001, ISO 14001, ISO 9001
Indirect	Office Stationary Consumables	Q1, Q2, Q3	ISO 14001
Civil Works & MEI Works	Hand Tools and Common Equipments	Q2, Q3	ISO 45001, ISO 14001, ISO 9001
Civil Works	Waterstops (<150mm)	Q2	ISO 45001, ISO 14001, ISO 9001
Indirect	IT Consumables	Q2, Q3	ISO 14001, ISO 9001
MEI Works	Steel Works - Cementitious Grout	Q2	ISO 45001, ISO 14001, ISO 9001
Civil Works	Sealing to Joints in Pavings	Q2	ISO 45001, ISO 14001, ISO 9001
MEI Works	Consumables for Steel, Piping, Equipment Erection, Electrical, Instrumentation Works	Q2, Q3	ISO 45001, ISO 14001, ISO 9001

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Equipment Rental Services	Rental of light and medium construction equipment (hot rental , with certified and competent operators).	Q2-Q3 2026	ISO 45001
Recruitment and Personnel Evaluation Services	Provision of recruitment and personnel evaluation. The scope may include sourcing, screening, shortlisting and technical and behavioral evaluation of candidates for skilled and non-skilled positions.	Q2-Q3 2026	Compliance with anti-discrimination and equal opportunity principles Compliance with data protection and confidentiality obligations Compliance with Mozambican Labour Law and applicable regulations
Training Services	Provision of training services to support the development of operational and support personnel. The scope may include technical, HSE, induction and job-specific training activities. Training may be provided through classroom sessions and/or on-the-job training, using qualified instructors and appropriate training materials, and aligned with the Client's workforce development and Local Content objectives.	Q2-Q3 2026	Alignment with Client HSE policies and procedures ISO 9001 or equivalent internal quality procedures

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Provision of PPE	Supply of Personal Protective Equipment (PPE). The scope may include, but is not limited to, helmets, safety footwear, high-visibility clothing, gloves, eye and hearing protection.	Q2-Q3 2026	Alignment with Client HSE policies and PPE requirements. ISO 9001 preferred.
Supply of Hand and Power Tools	Supply of hand tools and power tools for construction and maintenance activities, including but not limited to drills, grinders, cutting tools and related accessories.	Q2-Q3 2026	ISO 9001 preferred.
Construction Consumables Supply	Supply of general construction consumables required to support construction and maintenance activities, including but not limited to fasteners, cutting and grinding discs, abrasives, sealants, tapes and similar items.	Q2-Q3 2026	Alignment with Client HSE policies and PPE requirements. ISO 9001 preferred.
Road Transport Services	Provision of road transport services for goods and materials along the Maputo–Pemba corridor and from South Africa to Pemba, on both on-spot and continuous basis.	Q2-Q3 2026	Compliance with applicable Mozambican and cross-border transport regulations. Alignment with Client HSE and road safety requirements. ISO 45001 preferred.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Supply of Korean Food	Supply of Korean foods, ingredients and ready-to-eat food items to support on-site catering operations and daily staff consumption.	Q2-Q3 2026	ISO 22000 (Food Safety Management) HACCP certification Compliance with food hygiene and storage regulations Material Safety Data Sheets (MSDS/SDS) where cleaning chemicals or similar substances are used
Supply of Office Supplies	Provision of general office stationery, printing materials, and related consumables, including paper products, writing instruments, filing supplies, printer cartridges, toners, and other essential office items	Q2 2026	ISO 14001 (Environmental Management) Environmentally certified products recommended (e.g., FSC paper) MSDS/SDS submission for toner and ink
Supply of Safety Tools and Devices	Supply of safety tools and safety devices to support site operations, including fall protection equipment, safety signage, fire safety equipment, and other related safety accessories.	Q2–Q3 2026	ISO 45001 (Occupational Health & Safety) PPE international certification (ANSI / EN / AS/NZS) CE marking (where applicable) Inspection certificate / test report.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Supply of Steel Plates	Supply of carbon steel plates for fabrication and construction activities, including various grades and thicknesses suitable for structural, mechanical, and general construction applications.	Q2 2026	<ul style="list-style-type: none"> - ISO 9001 Quality System - Mill Test Certificate (MTC) - Material Traceability - Handling Safety Requirements
Supply of Grout Materials	Supply of construction grout for equipment installation works, including non-shrink and high-strength grouting materials suitable for baseplates, foundations, and precision equipment alignment.	Q2–Q3 2026	MSDS / SDS mandatory <ul style="list-style-type: none"> - Chemical Handling Guideline - ISO 14001 manufacture recommend
Supply of Welding Rods	Supply of welding electrodes and consumables for site welding works, ensuring reliable performance and consistent quality.	Q3 2026	<ul style="list-style-type: none"> - SDS submit necessary - AWS / ISO Welding Consumables Standards - Fume Exposure Control Guideline

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Supply of Household Items	Supply of household and daily-use items for site accommodations and offices, including cleaning materials, consumables, toiletries, and general office essentials for the day-to-day operations of site residential and administrative areas	Q2 2026	Chemical material SDS - Electrical Items Safety Certification - Environmental Compliance
Supply of Industrial Paint	Supply of protective and industrial paint for steel structures and equipment, for corrosion protection, durability, and consistent quality.	Q4 2026	- SDS mandatory - Compliance with VOC regulations - Hazardous chemical handling procedures - Manufacturer certified to ISO 14001
Supply of NDE Tools	Supply of non-destructive examination (NDE) tools and accessories, including equipment and consumables for testing methods, ensuring reliable testing, accuracy, and quality performance.	Q2–Q3 2026	- Equipment calibration certificate - Radiation safety (for RT equipment, where applicable) - Equipment suitability related to ISO 9712 personnel certification

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Catering	Supply Fresh Vegetables	Q1-Q4 2026	Quality & HSE Management Program
Catering	Supply Fresh Fruit	Q1-Q4 2026	Quality & HSE Management Program
Catering	Supply Frozen Protein	Q1-Q4 2026	HACCP / ISO 22000
Catering	Supply Fresh Fish	Q1-Q4 2026	Quality & HSE Management Program
Catering	Supply Rice	Q1-Q4 2026	Renowned Brand
Catering	Supply Bread Flour	Q1-Q4 2026	Renowned Brand
Catering	Supply Bottled Water	Q1-Q4 2026	HACCP / ISO 22000

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Packaged 61A 61B	Mechanical Spare Parts	Q3	N/A.

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Safety Material and Signals	PPE	2026	Project HSE Requirements
Construction Tools & Equipment	Consumables	2026	Project HSE Requirements
Plumbing Material	Piping and Flanges	2026	Project HSE Requirements
Iron, Steel	Steel reinforcement for concrete construction (ASTM)	2026	Project HSE Requirements
Chemicals for Construction	Sika MonoTop -3020 ZA, Sika MonoTop -4012 ZA	2026	Project HSE Requirements
IT Material and Software	Laptops, Mouses, Monitors	2026	Project HSE Requirements
Formwork and Scaffoldings	Scaffolding	2026	Project HSE Requirements
Wet Rental of Machinery	Civil Equipment (Excavator, Truck)	2026	WCA, Motor insurance, Third Party Insurance Certificates for operator
Transportation of Goods	Road Transport (Maputo to Pemba)	2026	WCA, Motor insurance, Third Party Insurance Driving license

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Site Installation	Construction of temporary camp site installations; Drainage systems and culverts; Concrete works including placing, curing, and finishing; Reinforcement fixing and formwork; Precast elements; Erection of temporary structures and office buildings.	Q1, Q2, Q3 & Q4 2026	HSE project management systems
Communications	Site telecommunications networks (wireless, radio systems); Two-way radios, repeaters, and emergency communication systems; Access-control system installation; Satellite phones.	Q1, Q2, Q3 & Q4 2026	HSE project management systems
Insurances / Bonds	Insurance and Bonds according to contractual requirements.	Q1, Q2, Q3 & Q4 2026	Management
Security services	Manned guarding and access-control operations; Perimeter patrols and checkpoint management; Site fencing and barrier systems; Vehicle and personnel screening; Emergency response and incident reporting.	Q1, Q2, Q3 & Q4 2026	HSE project management systems Management

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Materials for construction and incorporation: Steel	Steel bars, steel pipes, metal sheets and profiles	Q1, Q2, Q3 & Q4 2026	HSE project management systems Quality project management systems
Materials for construction and incorporation: Cement	Cement no structural	Q1, Q2, Q3 & Q4 2026	HSE project management systems Quality project management systems
Materials for construction and incorporation: Sand and Aggregate Supplier	Sand and Aggregates	Q2, Q3 & Q4 2026	Quality project management systems
Materials for construction and incorporation: Electric Installations and equipment	Cabling, Cable Trays Application; Electrodomestics material; Transformers; Electrical generators; Electrical materials (detection systems); Fire Fighting Systems.	Q2, Q3 & Q4 2026	Quality project management systems
Materials for construction and incorporation: Mechanical Installations and equipment	HVAC Systems; Mechanical Installations.	Q3 & Q4 2026	Quality project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Materials for construction and incorporation: Hydraulic Installations	Plumbing and Drainage Works; Hydraulic Materials; Hydraulic Materials (accessories, lids, grills).	Q2, Q3 & Q4 2026	Quality project management systems
Materials for construction and incorporation: Architectural works	Pavement Coating, Grouts; Ceramics Supplier; Raised Floor Supply and Application; Drywall, Ceiling Applications; Paint Supply.	Q2, Q3 & Q4 2026	Quality project management systems
Miscellaneous tooling	Miscellaneous tooling; Office material supplier.	Q1,Q2, Q3 & Q4 2026	Quality project management systems
Steel fabrication and erection	Cutting and bending of reinforcement bars; Supply of rebar and accessories (spacers); Prefabrication of cages and assemblies; On-site fixing and installation; Storage, handling, and protection of steel.	Q3 & Q4 2026	HSE project management systems Quality project management systems
Steel fabrication and erection	Temporary buildings and shelters (parking's, workshops, warehouses); Temporary platforms and access structures; Temporary walkways, stairs, and handrails; Scaffolding and edge-protection systems; Temporary fencing and barriers.	Q2, Q3 & Q4 2026	HSE project management systems Quality project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Formwork and concrete related Materials	Formwork systems (timber, steel, modular panels); Shuttering and moulds; Release agents and accessories; Installation and stripping services; Alignment and levelling works. Temporary supports and bracing	Q2, Q3 & Q4 2026	HSE project management systems Quality project management systems
All works - Labor	Rebar, Framework, Mason, Electrician, Plumbing, Mechanic, Paint	Q1, Q2, Q3 & Q4 2026	HSE project management systems
HSE Equipment's	Safety helmets, gloves, goggles, and face shields; Protective footwear and high-visibility clothing; Hearing protection and respiratory masks; Fall-arrest harnesses; Safety signage and barriers; Fire-fighting equipment (extinguishers, hoses); First-aid kits and emergency supplies. Spill kits and environmental protection materials	Q1, Q2, Q3 & Q4 2026	HSE project management systems Quality project management systems
Logistics & On-Site Construction Support	Internal site transportation; Rigging and lifting .	Q1, Q2, Q3 & Q4 2026	Quality project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Equipment Supply and Maintenance	Supply of Pick-ups, Mini-Buse and Bus Supply of construction plant with operators (excavators, loaders, rollers); Tower cranes; Mobile cranes and lifting equipment; Telehandlers and forklifts; Scaffolding systems; Generators, compressors, and welding sets.	Q1, Q2, Q3 & Q4 2026	HSE project management systems
Logistics Services General	Port handling and stevedoring; Heavy transport and low-bed trucking; Escort services and route surveys; Storage yards and laydown areas; Customs brokerage and import/export services; Cabotage Services; Freight Forward Services; Warehousing rentals/management.	Q1, Q2, Q3 & Q4 2026	HSE project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Civil Works	Supply of aggregates - crushed stone, riprap, gravel	Q1 2026	QAQC Technician
Civil Works	Supply of aggregates - toutvenant	Q1 2026	QAQC Technician
Civil Works	Supply of aggregates	Q1 2026	QAQC Technician
Civil Works	Supply of cement	Q1 2026	QAQC Technician
Site facility - equipment	Equipment Rental - heavy trucks	Q1 2026	HSE Technician
Site facility - equipment	Equipment Rental - cranes, telehandlers	Q1 2026	HSE Technician
Civil Works	Laboratory Service - Roads	Q2 2026	HSE Technician QAQC Technician
Civil Works	Laboratory Service - Concrete	Q2 2026	HSE Technician QAQC Technician
Reinforcement for concrete works	Supply of reinforcement steel	Q2 2026	QAQC Technician
Reinforcement for concrete works	Supply of reinforcement steel	Q2 2026	QAQC Technician
Formwork and Scaffolding	Supply of formwork	Q1 2026	HSE Technician QAQC Technician
Formwork and Scaffolding	Supply and assembly of scaffolding	Q1 2026	HSE Technician QAQC Technician
Metallic Structure	Supply and Erection of Structural Metallic Works	Q1 2026	HSE Technician QAQC Technician

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Electrical Installations	Subcontractor of electrical works - cabling and telecom	Q3 2026	HSE Technician QAQC Technician
Electrical Installations	Subcontractor of electrical works - lighting	Q2 2026	HSE Technician QAQC Technician
Electrical Installations	Subcontractor of electrical works - HVAC	Q2 2026	HSE Technician QAQC Technician
Mechanical Installations	Subcontractor of Firefighting works	Q2 2026	HSE Technician QAQC Technician
Mechanical Installations	Subcontractor of mechanical works	Q2 2026	HSE Technician QAQC Technician
Hydraulic Installations	Subcontractor of piping and Drainage Works	Q2 2026	HSE Technician QAQC Technician
Hydraulic Installations	Borehole and water supply	Q2 2026	HSE Technician QAQC Technician
Architectural Works	Supply of Pavement Coating, Grouts	Q2 2026	QAQC Technician
Architectural Works	Supply of Ceramics Tiles and Sanitaryware	Q2 2026	QAQC Technician
Architectural Works	Supply of paint and poliurethan	Q3 2026	QAQC Technician
Office Materials	Supply of Office Material	Q1 2026	NA
Landfill	Subcontractor of landfill waterproofing membrane	Q1 2026	HSE Technician QAQC Technician
Road works	Supply and application of asphaltic pavement	Q2 2026	HSE Technician QAQC Technician

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Operating vehicles	Supply of operating vehicles - machinery	Q3 2026	QAQC Technician
Operating vehicles	Supply of operating vehicles - pick ups	Q3 2026	QAQC Technician
Operating vehicles	Supply of operating vehicles - suv	Q3 2026	QAQC Technician
Operating vehicles	Supply of operating vehicles - van	Q3 2026	QAQC Technician

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Early Works - Site Installation	Earthworks, excavation, backfilling, and compaction; Construction of temporary and permanent access roads and laydown areas; Drainage systems and culverts; Concrete works including placing, curing, and finishing; Reinforcement fixing and formwork; Precast elements; Erection of temporary steel structures and office buildings.	Q1 & Q2	HSE project management systems
Equipment Supply and Maintenance	Supply of Pick-ups and Mini-Buses Supply of construction plant with operators (excavators, loaders, dozers, rollers); Mobile cranes and lifting equipment; Telehandlers and forklifts; Scaffolding systems; Generators, compressors, and welding sets.	Q1, Q2, Q3 & Q4	HSE project management systems
Logistics & On-Site Construction Support	Internal site transportation Rigging and lifting	Q1, Q2, Q3 & Q4	HSE project management systems
Logistics Services General	Port handling and stevedoring Heavy transport and low-bed trucking Escort services and route surveys Storage yards and laydown areas Customs brokerage and import/export services Cabotage Services Freight Forward Services Warehousing rentals/management	Q1, Q2, Q3 & Q4	HSE project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Offices and Communications	Site telecommunications networks (wireless, radio systems); Two-way radios, repeaters, and emergency communication systems; Access-control system installation; Satellite phones; Temporary offices rental	Q1, Q2, Q3 & Q4	Q1, Q2, Q3 & Q4
Consulting Services	Designs Services for temporary works; Welding inspection and certification; Non-Destructive Testing (UT, RT, MT, PT); Concrete testing (slump, cubes, cores); Soil laboratory testing; Coating inspection and Repair Services; Third-party inspection and reporting; Calibration of testing equipment.	Q1, Q2, Q3 & Q4	Q1, Q2, Q3 & Q4
Insurances / Bonds	Insurance and Bonds according to contractual requirements	Q1, Q2, Q3 & Q4	Q1, Q2, Q3 & Q4
Security services	Manned guarding and access-control operations Perimeter patrols and checkpoint management Site fencing and barrier systems Vehicle and personnel screening Emergency response and incident reporting	Q1, Q2, Q3 & Q4	Q1, Q2, Q3 & Q4

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
Cut & Bending & Fix steel reinforcement	Cutting and bending of reinforcement bars Supply of rebar and accessories (spacers) Prefabrication of cages and assemblies On-site fixing and installation Support to formwork and concrete pours Storage, handling, and protection of steel	Q1, Q2, Q3 & Q4	HSE project management systems
Steel fabrication and erection	Temporary buildings and shelters (parking's, workshops, warehouses) Temporary platforms and access structures Temporary walkways, stairs, and handrails Scaffolding and edge-protection systems Temporary fencing and barriers	Q1, Q2, Q3 & Q4	HSE project management systems
Formwork and concrete related Materials	Formwork systems (timber, steel, modular panels) Falsework and support frames Shuttering and moulds Release agents and accessories Installation and stripping services Alignment and levelling works Temporary supports and bracing	Q1, Q2, Q3 & Q4	HSE project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
HSE Equipment's	Safety helmets, gloves, goggles, and face shields Protective footwear and high-visibility clothing Hearing protection and respiratory masks Fall-arrest harnesses Lifejackets and marine PPE Safety signage and barriers Fire-fighting equipment (extinguishers, hoses) First-aid kits and emergency supplies Spill kits and environmental protection materials	Q1, Q2, Q3 & Q4	HSE project management systems

Scope	Description of Goods/Services	Estimated period for issuance of EOI or CFT	HSE Requirements
NDE Services	On-Site Non-Destructive Testing (NDE) Services	Q2 2026	CCSJV Project Requirements (Under CB&I Direction)
Scaffolding	Manpower to Erect scaffolding	Q2 2026	CCSJV Project Requirements (Under CB&I Direction)
Pest Control	Fumigation/Pest Control at Temporary Site Facilities	Q2 2026	CCSJV Project Requirements (Under CB&I Direction)
Industrial Gas	Provision of Mixed Gases (Argon, Propane, Oxygen, etc.) Required for site erection of steel, cutting & welding activities	Q2 2026	CCSJV Project Requirements (Under CB&I Direction)

Scope	Description of Goods/Services
