

EXPRESSION OF INTEREST FOR THE SUPPORT FOR FISHERIES LIVELIHOOD

TotalEnergies EP Mozambique Area 1, Limitada (TEPMA1) is developing the Mozambique Liquid Natural Gas Project (MzLNG) in Palma District in Cabo Delgado - Northern Mozambique.

As part of commitment under Approved Resettlement Plan, TEPMA1 is seeking to implement the Fisheries Livelihood Program in Palma District.

TEPMA1 invites interested companies to submit an Expression of Interest for the Support for Fisheries Livelihood.

Scope of Work Overview

The scope of work entails provision of Support Services for Fisheries Livelihood.

The overall objective is to restore and improve fisheries based livelihoods of Project Affected Persons (PAPs) and other eligible participants in Palma District (and, if activated by the Company, Moçimboa da Praia (sede)) by enabling sustained access to marine resources unaffected by Project operations, reducing pressure on nearshore fishing grounds, and increasing net fisheries-derived income through improved open sea fishing, safer operations, and enhanced post-harvest handling, processing, and market access aligned with the Fish to Dish (F2D) value chain.

Four main areas of intervention are foreseen:

- Implement alternative and improved fishing practices
- Support the post-harvest processing and marketing of fish
- Provide training in safety at sea for fishermen
- Provide training for outbound motor repair and maintenance

Preliminary Submission Requirements:

1. All interested companies who wish to do business with TotalEnergies EP Mozambique Area 1, Limitada should register at <http://www.mzlng.com/opportunities/suppliers>
2. Interested companies shall also submit an Expression of Interest together with the following documentation:
 - Past safety performance
